Dear Commissioners:

Enclosed with this letter is an amendment to the January 31 Year End Report of Receipts and Disbursements for the Faleomavaega for Congress Committee. The report covers the period July 1 through December 31, 2000. This amendment is being filed because after the filing of the year end report, the Democratic Congressional Campaign Committee informed this Committee that the value of research materials provided during the reporting period was \$500.00, rather than the \$300.00 previously reported. This amendment reflects that revised valuation and increases the amount of contributions and disbursements each by \$200.00.

Sincerely,

  
Martin R. Yerrick  
Assistant Treasurer
